Disclaimer: The day trading signals provided in this group are intended for informational and educational purposes only. Members acknowledge and understand that due to the rapid nature of trading, we cannot guarantee the accuracy of fill and exit prices. The dynamic market conditions and speed of trade execution may result in variations between the signal provided and the actual fill and exit prices experienced by individuals.

Additionally, it is important to note that not every trade executed by our team will be signaled in real time. At times, trades may be executed too swiftly for us to broadcast a signal. Members are encouraged to conduct their own analysis and consider multiple sources of information before making trading decisions. Participation in the group and utilization of signals are done at the individual's own risk, and the group assumes no responsibility for the outcomes of trades made based on the signals provided.
